I hereby certify that the above information is correct and I fully understand that any deviation from the above without prior permission from the Health Department may nullify final approval.

Signed _____ **Date** _____

Approval of these plans and specifications by the Health Department does not indicate compliance with any other code, law, or regulation that may be required (federal, state, or local). Furthermore, it does not constitute endorsement or acceptance of the complete MFE (structure or equipment). A pre-opening inspection of the MFE with equipment in place and operational will be necessary to determine if the MFE complies with the local and state laws governing Mobile Food Establishments/Temporary/BBQ.

Health Department Approval: _____ **Date:** _____

Restrictions:

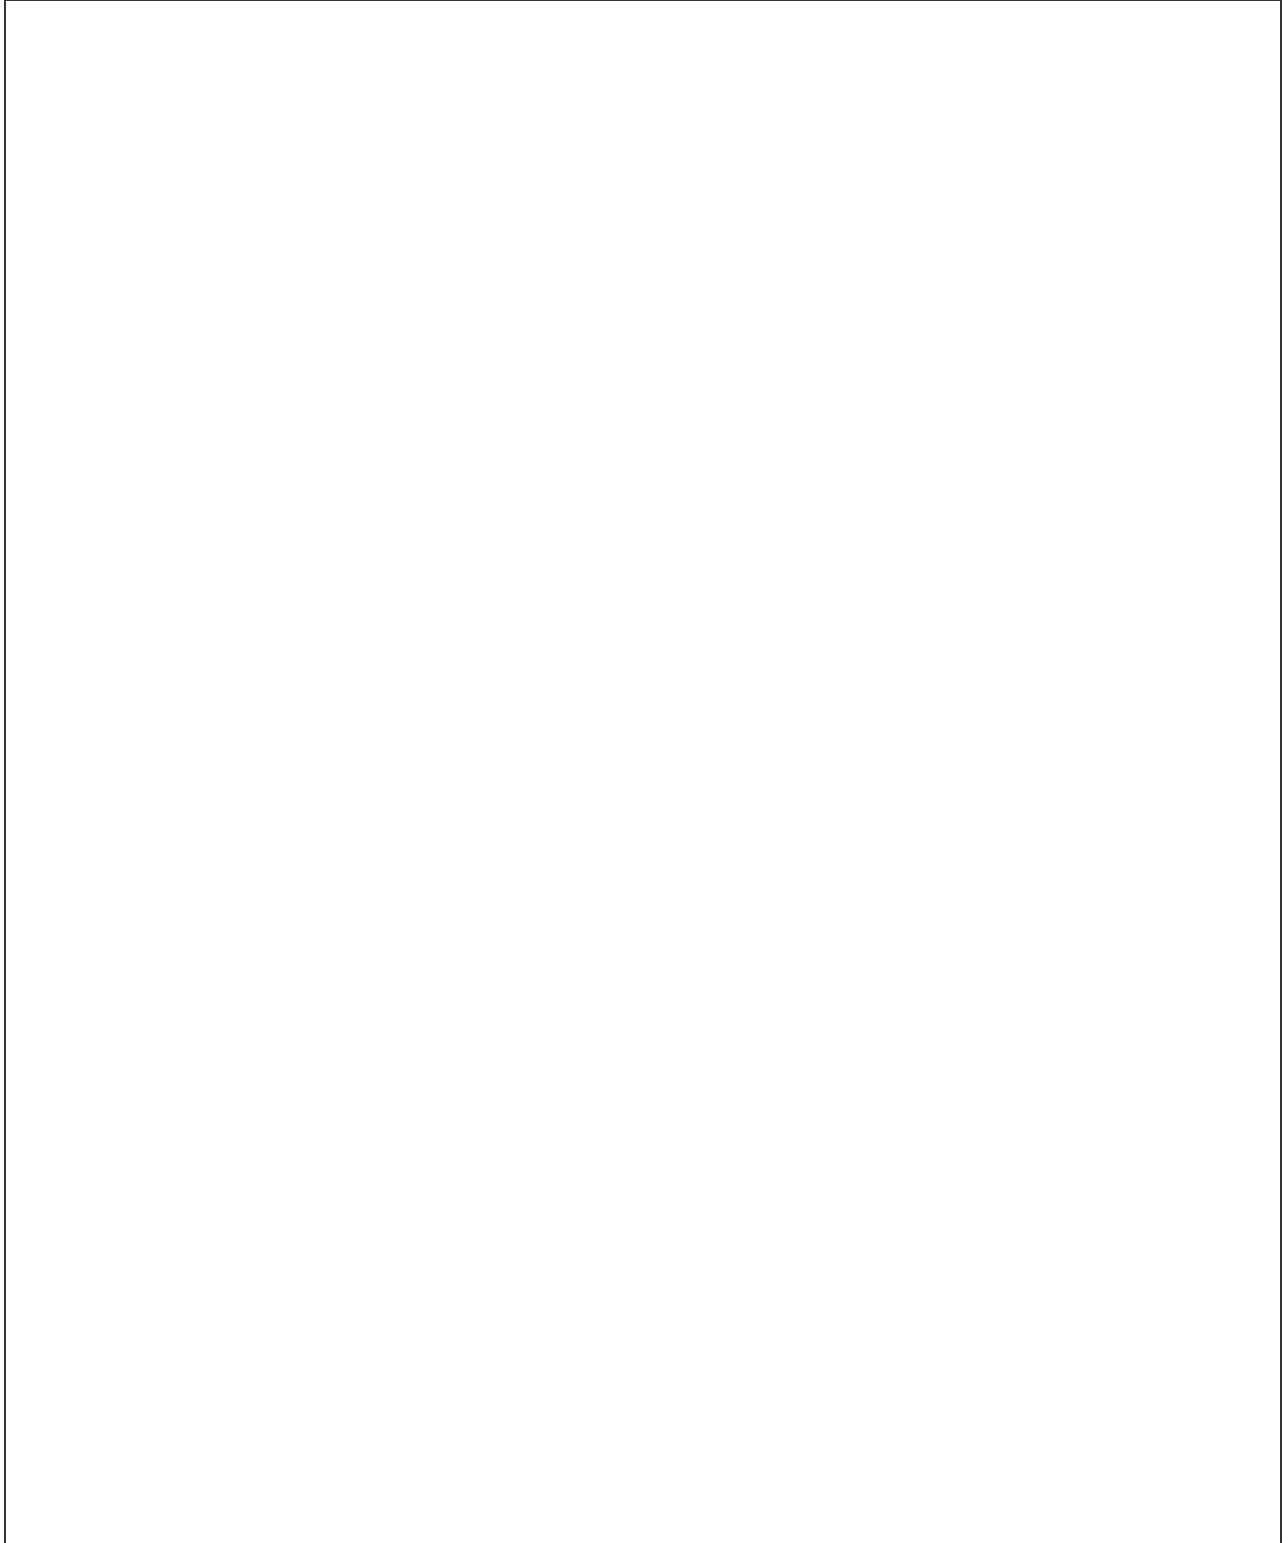

Permit Effective Dates:

Health Department Disapproval: _____ **Date:** _____

Reasons for Disapproval:

Attachment C
Sketch Sheet – Drawing of the Commissary

In the following space, provide a drawing of the Commissary. Identify and describe all equipment including cooking equipment, hot/cold-holding equipment, handwashing facilities, work tables, dishwashing facilities, areas for food and utensil storage, garbage containers, potable water supply, and wastewater disposal system. A plan lay-out may be submitted as a substitute for a sketch.

A large, empty rectangular box with a thin black border, intended for a drawing or plan layout of a commissary. The box occupies the majority of the page below the instructions.
